Dreamline Range

Dreamline showers are frameless, functional, stylish, and are extremely well engineered with simple clean lines. Dreamline showers are suitable for alcove (3 wall) or 2 sided tiled wall showers. They are a practical solution for when you want a larger shower and also want the waterproof qualities of an acrylic shower tray.

An added bonus is the reduced cost for an acrylic shower tray compared to a fully tiled shower base. 2 sided and 3 sided acrylic liners are also available for these showers.

- 8mm Toughened glass
- Frameless, functional and stylish
- 2 or 3 sided available
- Acrylic trays, shower doors and wall linings are available separately.
