

PIONEER

HEAVY DUTY CONCRETE SLEEPER AND GALVANISED STEEL POST RETAINING WALL SYSTEM

- + 100% termite proof materials
- + Perfect for walls up to 3.0m high
- + Great range of finishes

PIONEER Retaining System is the perfect solution for termite proof retaining walls up to 3m high.

Made in Australia, and guaranteed for up to 35 years, PIONEER is available in a range of finishes to match any landscape. Chose from natural finishes like wood and stone, or smooth finish which is ideal for painting.

PIONEER is easy to design and install – just draw out your wall, count your posts and select your sleepers!
