gas continuous flow specifications

thinkcontinuous

enjoy the benefits of continuous hot water

thinkcontrol

complete temperature control at your fingertips

5 Star or higher energy rating - up to a maximum of 6.2 Stars*!

endurance

Why you should choose a Dux Endurance continuous flow system

- The continuous flow principle heats water as needed, only heating the water you use
- Models in 16, 20, 26 and 32 litres/min hot water delivery options allow you to select the model to suit your hot water usage needs
- 5 Star or higher energy rating up to a maximum of 6.2 Stars!*
- Up to 4 controllers per unit are available as an optional accessory, providing the convenience of being able to vary hot water temperatures
- Recess box available
- Readyhot recirculation pump available - saves normally wasted water
- 10 year warranty on heat exchanger, including 3 yrs full parts and labour

Available Accessories

Recess box saves space by using the existing wall cavity Code: RBP1

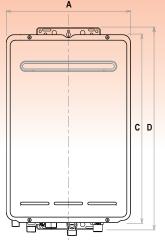

Readvhot saves water by pre-heating the water in the pipes before a tap is turned on

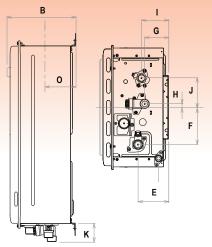

Wall mounted controllers give precise temperature control

Warranty

Full warranty terms and conditions are in the product's Owner's Manual ("the warranty"), which you must comply with for a warranty claim to be honoured by Dux.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Under the warranty, the transport, installation and labour costs of delivering the replacement hot water unit or solar collector and removing and replacing the existing hot water unit or solar collector with the replacement hot water unit or solar collector will be your responsibility, unless otherwise agreed by Dux. The benefits provided to you by the warranty are in addition to the guarantees and other rights and remedies available to you under the Australian Consumer Law.

How to Make a Warranty Claim

Warranty claims can be made at the point of sale or by posting or faxing a warranty claim to the manufacturer (contact details listed below) within one (1) month of the appearance of a defect. Warranty claims must include the following details: date of purchase, location of purchase, proof of purchase, date of installation, contact details, and product serial number.

Manufacturer's Contact Details
