WARNING:  Danger of scalding

1. Do not leave the steam cleaner unattended when plugged in. Turn off and unplug the product from the socket when not in use.
2. Only use the steam cleaner indoors. Keep the steam cleaner away from rain and moisture.
3. Always unplug the steam cleaner and allow it to cool before connecting or disconnecting accessories.
4. Children should be supervised to ensure that they do not play with the appliance.
5. This appliance is not intended for use by children and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
6. The appliance should only be used as described in this User Guide.
7. Only Dirt Devil recommended accessories should be used with this appliance.
8. Do not use this steam cleaner if it has been dropped, damaged, left outdoors or dropped into water. Do not use this steam cleaner with a damaged cord or plug. If the supply cord is damaged call us on AU: 1300 361 505 / NZ: 0800 800 900 for your nearest Dirt Devil authorised Service Agent.
9. Do not pull or carry this appliance by the cord. Do not use the cord as a handle, close a door on the cord or pull the cord around sharp edges or corners. Do not run the steam cleaner over the cord. Keep the cord away from heated surfaces.
10. Do not unplug the product by pulling on the cord.
11. Do not handle the plug or the steam cleaner with wet hands.
12. Do not use without the water tank cap in place. Ensure that the water tank cap has been screwed down fully before use.
13. Do not touch any hot areas on the steam cleaner. It is normal for the steam cleaner to heat up during operation.
14. Accessories will become hot during use – allow them to cool down before handling.
15. Do not use the steam cleaner to treat any items of clothing that are still being worn on the body.

16. The force and heat of the steam may have an adverse effect on some materials. Always check whether a surface is suitable for treatment with the steam and cleaning solution by carrying out a test beforehand on a concealed area.
17. The steam cleaner must be kept level during operation.
18. Never immerse the steam cleaner in water or in other liquids.
19. Do not operate the steam cleaner without water in the tank. Always top up with water in good time.
20. Always remove the mains plug from the socket and allow the steam cleaner to cool down completely before topping up with water.
21. Never aim the steam cleaner at people, animals or plants (there is a risk of scalding). Never touch the steam jet from a short distance with your hands. Do not aim the steam cleaner at electrical items or wires.
22. Keep hair, loose clothing, fingers and all parts of the body away from openings.
23. Never fill the water tank with anything other than water. Never put additives (such as perfume, stain remover or products containing alcohol) in the water tank as they may damage the steam cleaner or make it dangerous to use.
24. Only carry the steam cleaner by the carry handle.
25. Store the steam cleaner in a cool, dry area.
26. Do not use an extension cord with this product.
27. Using improper voltage may result in damage to the steam cleaner and possible injury to the user. The correct voltage is listed on the rating label.
28. Do not use your steam cleaner if it is damaged or faulty. Please make sure that the product is unplugged from the mains and call the Dirt Devil Service Line on AU: 1300 361 505 / NZ: 0800 800 900.
