

THE NEW
Neutralist

TAUBMANS®

Back TO BASICS

The new neutralist is far from vanilla. There is nothing 'beige' about you – in fact, you are a colour vanguard. You know how to combine the tried and trusted with the unexpected to create a look that turns the conventional idea of a neutral colour palette upside down, inside out and wrong way round...

Let Taubmans help you find the perfect neutral palette for every room in your home.

LET'S GO PAINT

Taubmans Endure has been engineered with Nanoguard® Technology for maximum stain resistance. It protects your walls inside and out, and comes with a lifetime guarantee*.

"Taubmans has a modern & sophisticated range of colours for any home. When I paint I choose Taubmans Endure. It's easy to apply with low splatter and superior coverage; job satisfaction is guaranteed."

As used in Selling Houses Australia and Deadline Design by Taubmans Brand Ambassador, Shayna Blaze.

Let's Go Paint!

There's nothing quite like standing in a finished, newly painted room. Transformation complete. But we know that in order to get there, so much has to happen along the way. To help you start on your colour journey, why not purchase a **Taubmans Sample Pot** and explore the possibilities of colour in your home.

Online Colour Tools

There are so many ways to make sure that the colour you're choosing is going to be perfect for your space. Check out the Taubmans website for online tools that will help you with your project.

PAINT PLANNER

The Taubmans Paint Planner is designed to do the thinking for you. It will put together a customised list of everything you'll need for your paint project; from what materials to buy to how long it will take. You might be surprised at how quickly your room can be transformed!

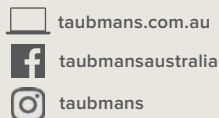

PAINT YOUR OWN ROOM

Choosing colour can be a daunting process, but Taubmans are here to bring out your inner-designer and help get your colour right the first time. The Paint Your Own Room Tool allows you to see what colours look like in your home, by uploading a photo of your room and following a few simple steps.

COLOUR WALL

Keen to explore colour further? Our online colour wall allows you to view our large range of colours and create various colour schemes to help bring your project to life.

CUSTOMER CARE
131 686

PPG Architectural Coatings, 9 Birmingham Avenue, Villawood NSW 2163.
Colours shown are as close as possible to actual paint colours. Due to limitations of the printing process, photographic and printed images may not represent the true colour. Please obtain a Taubmans Sample Pot for colour accuracy. Date: 11/16
