1 X FIREPRO 1.0M X 1.0M FIRE BLANKET

The most effective and efficient way to control a cooking oil fire on the kitchen stove is with a FirePro fire blanket, which should be located in the kitchen between the stove and the kitchen exit. Quick control of this type of fire can prevent it from spreading. The FirePro fire blanket comes with a 6 year warranty.

Where to locate your FirePro smoke alarms, fire extinguishers and fire blankets.
