## FOLD DOWN LINES

### FOLD DOWN WALL MOUNTS

3 depths x 3 lengths – A variety of options to suit all requirements.

The Fold Down front bars may be reduced in length during installation, if a shorter distance is required.

The cut ends of the front bar are inserted into the corner tube.

Fold Down Wall Mounts include masonry and timber fittings.

Please seek advice if fixing to alternative surfaces i.e. hebel, blue board etc.

### FOLD DOWN GROUND MOUNT KITS

Are available in 1.3m; 2.4m and 3.3m lengths in standard and plated post options (for hard surface fixing).

Standard Ground Mount Kits include 2 upright posts, back bar and post fittings.

Plated Ground Mount Kits include 2 upright posts with welded base plates, back bar and post fittings but do not include masonry fittings for base.

The Ground mount posts are multi – punched for ease of fixing or height adjustment.

See pages 10-11 for further information.

All Fold Downs have Pre-Assembled Side Arms for easy fixing onto the wall or to attach to an Austral Ground Mount Kit.

It has never been easier to install an Austral Fold Down Clothes Line.

Stronger, steel construction – No plastic corners or brackets!

All Austral Fold Down Clothes Lines have Pre-Assembled side arms.

Remove left and right Side Arms from the box and using the fittings provided, bolt onto the wall or the upright posts if using a Ground Mount Kit option.

- Save time on assembly.
- Save money on installation.
- Easy customer DIY.

## ADD-A-LINE FOLD DOWN

(Optional Plated and Ground Mount Kits available)

The Add-A-Line has dual folding frames.  
Both frames may be used independently and both frames fold down.

Add-A-Line has 15 lines = 35.7m line space  
Front frame: 90cm deep with 8 lines; Back frame: 60cm deep with 7 lines.  
Line spacing: 13.5cm for wider spacing; 6.5cm for narrower spacing.

FRAME SIZE	LINE SPACE	AREA REQUIRED	SUITS

## STANDARD FOLD DOWN

(Optional Plated or Ground Mount Kits available)

Single folding frame suitable for a large family.  
This is the same sized frame as an Add-a-line.

Standard has 12 lines = 28.5m of line space  
Line spacing: 13.5cm for wider spacing; 6.5cm for narrower spacing.

## COMPACT FOLD DOWN

(Optional Plated or Ground Mount Kits available)

A compact version of the Standard Fold Down. The Compact has the same amount of line space as the Standard on a smaller frame - ideal for courtyards and apartments.

When folded, the bottom of the Compact frame reaches about hip height which makes it a perfect line for aged or physically impaired residents.

Compact has 12 lines = 28.5m of line space. This line offers the maximum amount of line space due to closer line placement.  
Line spacing: 6.5cm apart.

Your customer has the option of using each line during the summer months and perhaps spanning clothes over two lines through winter. More line space allows your customer greater drying flexibility.

FRAME SIZE	LINE SPACE	AREA REQUIRED	SUITS
2.4m W x 0.94mD	28.5 m	2.5m x 1.3m	1-4 people

## FOLD DOWN GROUND MOUNT KIT OPTIONS

The Ground Mount Kit includes

- ☐ 2 upright posts and back support bar.
- ☐ Fasteners to secure Austral Fold Down.
- ☐ Optional Plated Mount Kits for fixing to hard surfaces.

Austral's new Multi-Punched Ground Mount Kit allows for flexible height adjustment

- ☐ Ideal for DIY installations.
- ☐ Retirement and tenanted facilities – where residents differ in height.
- ☐ Builder installations – where resident's height is not known.

Please note:

The back bar may be reduced in length to fit into shorter spaces during installation if required. Installer will need to cut excess off one end of back bar and drill 1 hole. The Fold Down front bar(s) will also need to be reduced in length.

### GROUND MOUNT KIT

Suitable for in ground installations

Available in 1.3m, 2.4m & 3.3m lengths

Ground Mount Kit dimensions:  
2430mmW x 2370mmH.  
Fixing points are 2400mm C-C.  
Depth will vary according to Fold Down model selected.

### GROUND MOUNT KIT PLATED

Suitable for hard surface fixing i.e. cement slab or decking (if structurally suitable).

Available in 1.3m, 2.4m & 3.3m lengths

Plated Ground Mount Kit dimensions:  
2500mmW x 150mmD x 1860mmH.  
Post Plate dimensions: 100mmW x 150mmL x 6mm.  
Fixings required: 2 x M6 x 40mm (min length) Anchor bolts for each plated Post.  
Refer to Manufacturer's TDS for further information.

# RETRACTAWAY CABINET

## PLEASE NOTE:

Please seek advice prior to Post installations to ensure appropriate footings are used. Consideration should be given to larger concrete footing to increase Post stability for some soil types (i.e. sandy, loose or un-compacted soils etc.).

Simply pull the lines out when required and retract the lines back into the cabinet when finished.

Lines will lock into position from a minimum of 2m to a maximum of 8m (RA40) or 10m (RA50).

RetractAway 40	40m line – standard option Min. 2m – Max. 8m.
RetractAway 50	50m line – extended length Min. 2m – Max. 10m.

CABINET SIZE	LINE SPACE	AREA REQUIRED	SUITS
RetractAway 405 lines x 2m - 8m 800mm*W x 125mmH x 170mmD		1.5m wide x = up to 40m line space	1-6 people required length
RetractAway 505 lines x 2m - 10m 800mmW x 125mmH x 170mmD = up to 50m line space		1.5m wide x required length	1-6 people

Suggested area required: Min. of 500mm either side of Cabinet is recommended but not essential.

For further information and Retractable Accessories please see following pages.

\* Please seek advice prior to Post installations to ensure appropriate footings are used. Consideration should be given to larger concrete footing to increase Post stability for some soil types (i.e. sandy, loose or un-compacted soils).

**DISCLAIMER:**  
Austral cannot guarantee the stability of RetractAway Post installations due to soil variances.  
Please seek advice prior to Post installation(s).
