**COMPRESSED AIR** PROTECTION 2000+ ASSOCIATION of Australasia

The smarter energy source  
Air Compressor Rating in accordance with AUSTRALIAN STANDARD AS 4637-2006 (Measurement of air flow only)

Free Air Delivery (Tested at 600-800 kPa)

**416**

Litres per minute

Refer to manufacturer about warranty conditions for this compressor.

## PETROL AIR COMPRESSOR

Product Warranty	2 Years	Tank Type	Horizontal
Engine Warranty	3 Years	Tank Size	75L
Ship Weight	88.9kg	Pump	Cast Iron
Max Pressure	130 PSI	Duty Cycle	100%
Horsepower	4.8	Air Outlet Size	1/4" Quick Connect
FAD (Free Air Delivery)	416 lpm	After Cooler Included	No
ASME Certified Tank	Yes	Drain System	Manual
Engine	Honda GX160	Fuel Capacity	3.1L
Engine Displacement	163 CC	Fuel Type	Unleaded Petrol
Start Type	Recoil	Engine Oil Type	SAE 30
Engine Idle Control	Yes	Engine Oil Included	No
Stage	Single	Low Oil Protection	Yes
Drive	Belt	Portable	Yes
Dimensions	L 101.6 x W 53.3 x H 83.8cm		

**75L Tank**

**416 LPM FAD**

**Idle Down Solenoid**

POWERED by **HONDA**

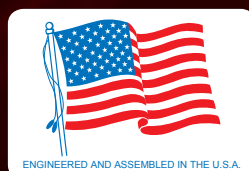

**RRP**  
**\$1995**

Part No	NS459392
Fineline	6270785
Barcode	9312753036825

- Premium Honda GX160 (163cc) engine for quiet, reliable performance
- 3 year Australia wide motor warranty with full dealer network support
- Engineered and assembled in the USA using only high quality components delivering reliability
- Full cast iron pump for long life, pump head made of FC35 grade cast iron
- Low Vibration Technology (LVT) features a dynamically balanced pump for smooth operation and long life
- Floating-type Swedish steel valves deliver much longer valve life

- Belt-driven pump design with V-type cylinder delivering slow run speed and superior cooling to the pump components
- Step-type piston rings ensure piston ring overlap for better compression
- Easy start lever on unloader valve isolates pump from tank pressure, so engine won't have to start under load
- Pressure regulator to control outlet pressure, with liquid-filled pressure gauge
- Built-in wheels with handle for easy portability
