

WATER BASED PRODUCTS

Diggers Paint Cleanup

Typical Characteristics

Appearancecolourless liquid
Specific Gravity..... 1.00

SDS available

DESCRIPTION

Diggers Paint Cleanup cleans and conditions paint brushes and rollers after painting, removing both oil and water based paints. It can also be used to clean fresh paint spills from hard surfaces and textiles.

TYPICAL USES

- Cleaning and conditioning paint brushes and rollers after use
- Removes both oil and water based paints
- Cleans fresh paint spills from hard surfaces, textiles and carpet
- Removing oil and grease from equipment

FEATURES

- Biodegradable
- Non-flammable
- Low odour

APPLICATION

Cleaning brushes, rollers and paint pads

- Remove excess paint with a cloth or newspaper. Pour **Diggers Paint Cleanup** into a suitable container and submerge brush, roller or paint pad and work into the solution. Rinse in clean water and dry. Repeat if necessary for heavily coated equipment. *Note: This product will not break down paint residues. Please dispose of remaining paint residues responsibly.*

Cleaning wet paint spills from hard surfaces

- Absorb as much paint as possible with a cloth. Use direct from the bottle. Pour **Diggers Paint Cleanup** onto a cloth and wipe the surface to remove paint. Rinse with clean water and dry.

Cleaning wet paint spills from textiles

- Always test on a small area first for colour fastness. Use direct from the bottle. Pour **Diggers Paint Cleanup** onto the spill and work the solution with a non-abrasive cloth to remove paint. Rinse with clean water and dry.

SAFETY

Wear suitable protective clothing, gloves and eye/face protection when using this product.
