

# Revive Linen Cabinet

## Wall Hung

Adding a linen cabinet to your bathroom is a quick and easy way to achieve extra bathroom storage using existing wall space. The Revive Linen Cabinet was designed to complement the Revive range of vanities and can also be matched with a coordinating mirror to form a complete bathroom ensemble. The linen cabinet door front can be customised using one of the same three finishes as the Revive Vanity; classic white gloss, Café Oak veneer and Bronzed Oak veneer. At just 350mm wide with a long, single door with finger-pull handle and three adjustable glass shelves, it's a neat storage solution easily accommodated in most bathrooms.

*\*Note: Cabinet door available in left or right hand-side hinged. Please specify when ordering.*

### DIMENSIONS

### PACKAGED DIMENSIONS & WEIGHT

W 450 x D 450 x H 1600mm, Weight: 40kg

### FINISH

Exterior: Choice of gloss white polyurethane, Café Oak veneer or Bronzed Oak veneer

Interior: White melamine with three

(3) adjustable glass shelves

### MECHANISMS

Finger pull handle, adjustable internal glass shelves

### FIXING

Wall mountable to timber stud or masonry walls. No set fixing points.

### INSTALLATION TIPS

1. Carefully remove door (refer below) and store safely
2. Unwrap shelves and place to one side
3. Once cabinet placement has been determined, drill fixing holes through the back of the cabinet
4. Secure the cabinet to the wall (installer to determine appropriate fixings) and cover with caps provided
5. Replace shelves at required height
6. Replace door and adjust hinges if necessary
7. Once door is lined up correctly the unit must be sealed along the back edge of the top and down the sides against the wall with bathroom quality silicone
8. Spray soapy water on the silicone joint (on the wall and top) to stop silicone sticking to the wall
9. Wipe off excess silicone and soapy water

### REMOVING/REPLACING DOOR

To remove: locate the front of hinge and pull away from side of cabinet, ensuring door is supported. To replace: line up the hinges with corresponding hinge plates. At the base of the hinge there is a small metal rod that needs to be lined up with cradle arms of the hinge-plate. Once in place, push the top of the hinge down towards the hinge-plate. Hinge should engage by snapping down.

### DELIVERY / PICK UP AND INSTALLATION

If your linen cabinet is damaged or imperfect when opened, do not proceed with installation. If a defective item is installed, CIBO is not liable for removal of the item, nor will CIBO accept responsibility to repair or replace the product.

### PRODUCT CARE & MAINTENANCE

It is the responsibility of the purchaser to ensure the product is installed and maintained properly. For general cleaning we recommend the use of a mild detergent, warm water and a lint-free microfibre cloth. For more stubborn stains Spray & Wipe or similar may be used. Never use an abrasive cleaner (eg Jif or Gumption) on this product as it will strip the gloss finish. Damage caused by any improper treatment is not covered by the product warranty - refer to Warranty Conditions. Care must be taken when cleaning glass shelves. We recommend clean, warm water used with a 'Micro' (soft, lint-free) cloth. Wring out all water before wiping glass. Dry immediately with a dry 'Micro' (soft, lint-free) cloth.
