

Altache™ Panel

Panelling

Unlimited possibilities

Contemporary style with so much versatility. Cedar Sales Altache Panel can be used in many innovative ways to add value to your home or building. Altache Panel combines the metallic lustre of anodised aluminium with the warmth of pre-finished Western Red Cedar. The result is a futuristic design feature for internal or external use.

Altache Panel features and benefits

- Concealed fixings for uninterrupted lines
- Lightweight, but with excellent durability
- A stylish and futuristic look
- Colour choice of clear or black anodised aluminium
- Available in two cover widths and one standard thickness
- Aluminium is included in the cover stated

Altache Panel is ideal for

- Commercial fit outs
- Feature walls
- Kitchen and bar features
- Retail store features
- Bulkhead ceiling features
- Garage doors and gates
- Office suites
- Gable linings
