

INSULSPAN

INSULATED ROOFING PANELS

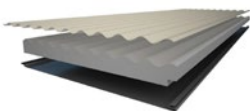

INSULSPAN modular roofing is a unique 3-in-1 roofing system. It provides for an attractive internal off-white colour steel lining that is maintenance-free.

INSULSPAN Features include:

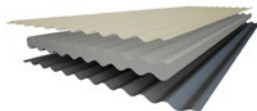

- Insulspan insulated roofing panel incorporates roof, insulation and ceiling
- Innovative 'seam lock' system eliminates unsightly joints
- Ease of installation
- Single span up to 8.1m unsupported
- Ideal for patio enclosures and carports
- Available in standard roofing profiles and a choice of many colours
- Flexible production techniques for Curved Panels
- Cable access easy & safe electrical ducts
