\* Based on \$20 per gas bottle refill and run time of 12.5 hrs on high / 18 hrs on low

Note: Suitable for outdoor use only.

# HEATSTRIP® Wall Mounted Natural Gas Heater (TGH34WN)

**NEW**

**Wall mounting bracket**

**ON / OFF switch with electronic ignition**

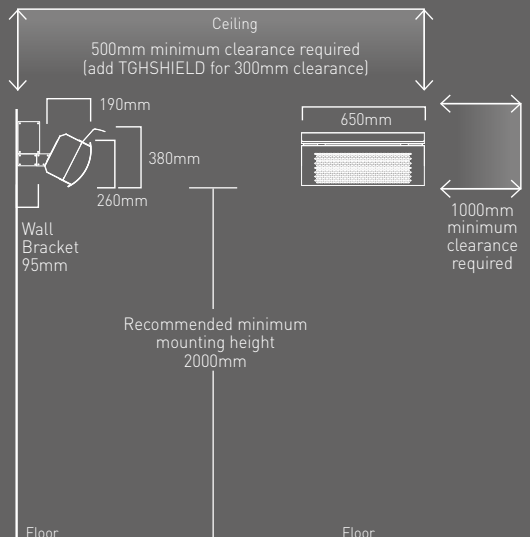

**4 tile commercial ceramic burner**

The new HEATSTRIP Wall Mounted Natural Gas (NG) heater is a stylish addition to any outdoor area, where mains Natural Gas is preferred. World class design aesthetics, heat output and performance, for both residential and commercial applications.

## FEATURES

- 34MJ, 4 tile commercial quality ceramic burner, for connection to mains Natural Gas (NG)
- Electronic battery ignition with micro-switch On/Off operation and stainless steel pull cords. Electrical connection not required
- Protective grille and reflector included as standard, to guarantee safe operation. Reflector design ensures that only a minimum of 500mm overhead clearance is required (add TGHSHIELD for 300mm clearance)
- Wall mounting bracket allows for multiple mounting angles, and is extremely robust to provide strength and support
- Conversion to use with LPG is optional (Model TGH34WLPG)
- 2 year residential and 1 year commercial warranty

## Materials of Construction

E-coated mild steel with powder coat finish.  
Grille & reflector with extra high temperature protection.
