MEGATREAT

TS 2000

NATURAL LOOK SEALER

Australian made Megatreat TS 2000 Natural Sealer for Terracotta, Slate, Sandstone, Masonry and other absorbent paving products is a water based, non stick, hard wearing sealer for heavy duty protection against soiling (up to 5 years protection).

ADVANTAGES

- Protects against permanent staining from oil, grease, food, red wine, etc.
- Not effected by salt or chlorine
- Unlike most others, does not require specific multi directional application
- Can be walked on after 2 hours, if dry

- Lasts up to 6 times longer than most conventional sealers
- Interior and exterior use
- Transparent, non - yellowing (UV resistant)
- Does not alter the natural appearance of the paver
- Cost effective
- Will not crack, peel or chip. Excellent weathering resistance
- May be re-applied when necessary
- Non-toxic when dry
- Non-flammable
- Best applied by a foam pad applicator
- No toxic fumes during application (no nasty smells)
- Water wash up (solvent free)
- Anti-fungal

MEGATREAT

TS 2000

SATIN & GLOSS SEALER

Australian made Megatreat TS 2000 Satin & Gloss Sealer is a water based cross-linked acrylic penetrating sealant developed for the long life sealing and protecting of Slate, Terracotta, Sandstone and Masonry.

ADVANTAGES

- Protects against permanent staining from oil, grease, food, red wine, etc.
- Not effected by salt or chlorine
- Can be applied over most existing sealers
- Unlike most others, does not require specific multi directional application
- Outlasts most conventional sealers

- Available in a satin or gloss finish
- Can be walked on after 2 hours, if dry
- Interior and exterior use
- Transparent, non - yellowing (UV resistant)
- Cost effective
- Will not crack, peel or chip. Excellent weathering resistance
- May be re-applied when necessary
- Non-toxic when dry
- Non-flammable
- Best applied by a foam pad applicator
- No toxic fumes during application (no nasty smells)
- Water wash up (solvent free)
- Anti-fungal
- For a slip resistant finish we recommend the addition of "Megatreat Slip Resistant Additive" to the sealer

Extra Long Life Protection
