

Rotary Clotheslines

Daytek Rotary Range

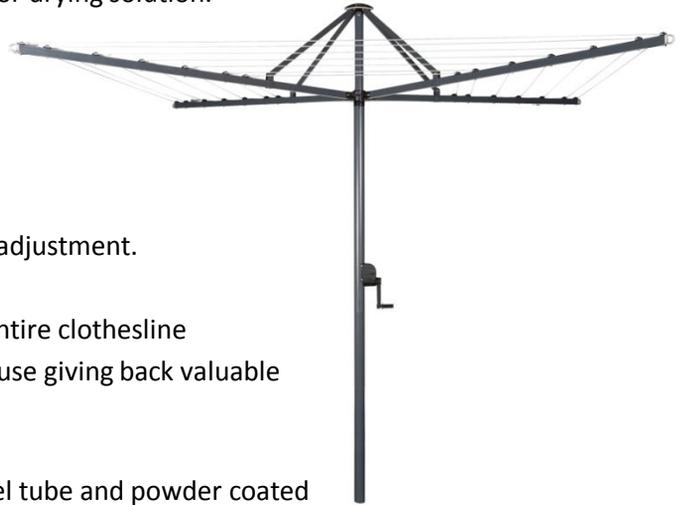

Rotary Clotheslines offer large overall line space. If you have the space then a Rotary Clothesline offers the best outdoor drying solution.

Daytek Rotary Clotheslines come with pre-strung and pre-tensioned lines ready for installation. Included with each Daytek Rotary Clothesline is a Ground Mount Socket featuring 3 installation heights with 150mm of adjustment.

The Rotary head can be folded down and the entire clothesline can be easily removed for storage when not in use giving back valuable yard space.

Manufactured from high tensile galvanised steel tube and powder coated in a range of colours there is a Daytek Rotary Clothesline that will meet your needs.

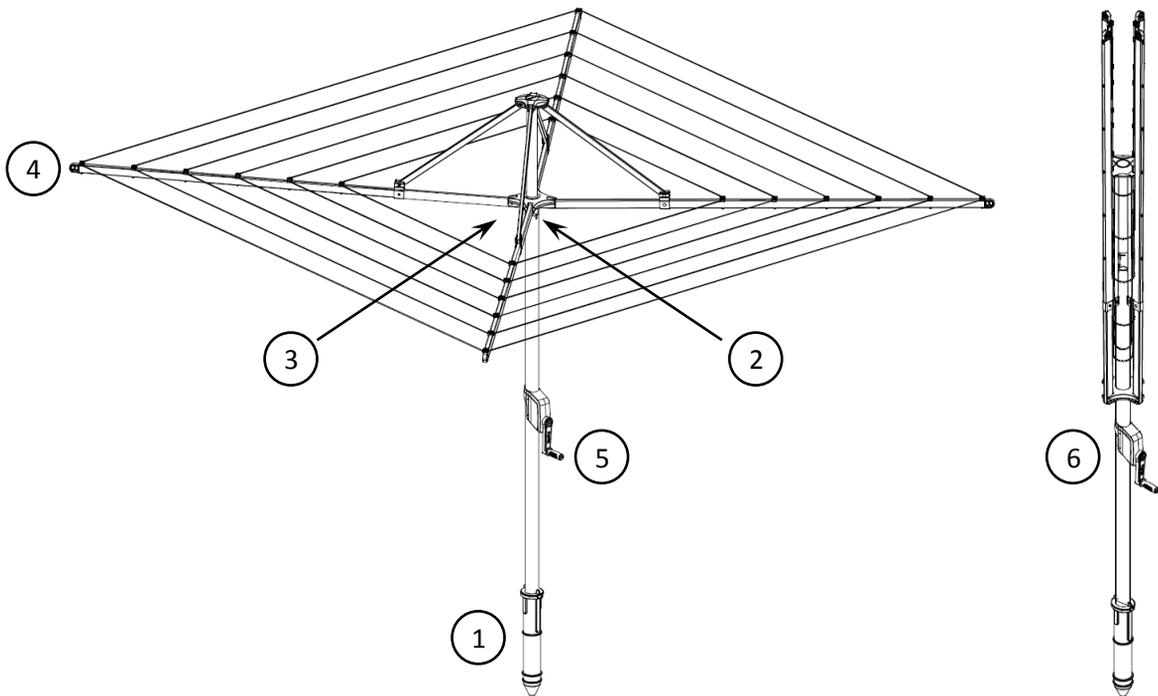

All Daytek Rotary Clotheslines are supported with a 10 year structural warranty and a 2 year line warranty and are backed with a full range of spare parts.

Quick Selection Guide	No. of Lines	Line Space	Max Line Length	Sheet Size	Head Diameter	Space Required
