

Masport®

FEATURE PACKED MACHINES!

MASPORT SMARTCHUTE®

Mow without the catcher and avoid the messy grass clumps. The Masport patented Smartchute® will side discharge a clean spread of clippings as you mow to leave your lawn looking wonderful. Just engage the unique feature and begin mowing.

HANDLE LIFT SYSTEM

The Handle Lift System allows you to quickly and easily access the catcher (or Smartchute® system). Simply step on the foot pedal and lift the handle, it's that easy! Once the handle is returned to the operating position it locks firmly, providing responsive handling. It also reduces storage space.

CHIPPERCHUTE

The Masport Chipperchute is an innovative development in lawn mowing that means your mower can do more than cut grass. The Chipperchute actually chips branches up to 35mm (1 3/8") in diameter using the additional chipper blade and turns them into useful mulch. As branches are chipped the chips are fed back into the catcher so you can put the mulch into your compost or garden.

For full Warranty conditions refer to the Masport warranty card.

BUNNINGS 470 2'N 1 Superior 2'N 1 Mulching & Catching

F/L 3380665

The all new Masport 470 2'N 1 out performs all others in its class. It will mulch with ease, leaving the lawn clean and tidy and when catching it will cut and catch to perfection. This model is one of the all-time best suited Australian mowers you can buy.

- Robust heavy duty 18" steel chassis, **so good we give it a 4 year warranty**
- Perfectly balanced 4 blade cutting disc for **uncompromised cutting**
- High density poly-ethylene catcher, not just plastic that's why we give it a **lifetime warranty**
- **Catcher full indicator** is a nifty feature that signals when the catchers full
- Briggs & Stratton 140cc OHV Series 500E Rapid Start™ engine, new technology from a **trusted brand**

BUNNINGS 486 3'N 1 Superior 3'N 1 Mulching, Catching & Side Discharge

F/L 3380666

This seasons 486 3'N 1 is all class; it's the mower that ticks all the boxes, treat it right and this could be the last mower you ever need to own. If its power, performance and long life durability you want, then you've found it. The Masport 486 3'N 1 is ground-breaking better.

- **Handle Lift System**, gets the handle up out of the way to remove the catcher or to store away in the shed
- **Catcher retainer hook**, at last somewhere to store the catcher, **now that's good thinking**
- Heavy duty 19" steel chassis, **so good we give it a 4 year warranty**
- **Dual mowzone**, means it cuts out over the wheels on both sides, over edges and up close to fence lines
- **Smartchute**, excellent device for the convenience of **side discharging the grass**, easy to use and guaranteed safe
- **Ergo Handles**, fancy name for a handle that can be **easily adjusted to suit the operator**, more good thinking
- High density poly-ethylene catcher, not just plastic that's why we give it a **lifetime warranty**
- Finely tuned, contoured 4 blade cutting disc for **superior performance**
- **Catcher full indicator** is a nifty feature that signals when the catchers full
- Briggs & Stratton 150cc OHV Series 625EX Ready Start™ engine, **made in America for Australia**

BUNNINGS 490 4'N 1 Superior 4'N 1 Mulching, Catching, Side Discharge & Chipper

F/L 3380667

This is one of the cleverest mowers you will find in the world, not quite so clever that it will mow the lawn for you but clever enough to become you best friend in the garden. It has 5 blades to cut, to mulch and to destroy branches, weeds and even those annoying palm fronds. Uncompromising power and performance from the mower that will be loyal to you for life.

- Chipperchute is just that, **chips and shreds garden waste**, pruning's and palm fronds through the chute and **straight into the catcher**
- **Handle Lift System**, gets the handle up out of the way to remove the catcher or to store away in the shed
- **The strongest blade you will find on a mower** is for the chipping, the other 4 on the disc, for superior catching and mulching
- **Catcher retainer hook**, at last somewhere to store the catcher, **now that's good thinking**
- Heavy duty 19" steel chassis, **so good we give it a 4 year warranty**
- High density poly-ethylene catcher, not just plastic that's why we give it a **lifetime warranty**
- **Dual mowzone**, means it cuts out over the wheels on both sides, over edges and up close to fence lines
- **Smartchute**, excellent device for the convenience of **side discharging the grass**, easy to use and guaranteed safe
- **Ergo Handles**, fancy name for a handle that can be easily adjusted to suit the operator, more good thinking
- **Catcher full indicator** is a nifty feature that signals when the catchers full
- It's very powerful, **Briggs & Stratton 190cc Series 675 Ready Start™ engine, born in the USA**
