WAGNER[®]
PAINT SMART

W550 FINESPRAY

What **projects** are best suited to the W550?

- Small to medium sized precision spraying tasks
- Excellent application for doors, skirting boards, architraves, trims, furniture, wooden toys and much more!

What **materials** can this unit spray?

- Enamels
- Glazes
- Varnishes
- Wood preservatives

What **features** does this unit have?

- HVLP (High Volume Low Pressure) system with new gun design
- Click & Paint™ gun design allows the front end and gun to be quickly and easily separated in under 5 seconds
- The on/off trigger on the gun activates the motor so that it only runs when spraying, increasing the life of the unit
- Three-stage adjustable paint jet: wide, round and precision
- The turbine is built into the hand piece eliminating the need for a separate air hose connection
- Perfect application in every position, even when working overhead
