### NOW AVAILABLE IN 12 COLOURS

See Standard Colours Page. 20-21

### FOR PRICES CONTACT YOUR POLYMASTER DISTRIBUTOR.

All measurements are approximate due to variable shrinkage during manufacture. Due to pigment variations with raw material manufacturers, colour shades may vary. Smaller rainwater tanks need regular maintenance if drinking quality is to be maintained. Polymaster takes no responsibility for the quality of water held in a tank. \*Free delivery only applies to some regions and tank sizes. Contact us for details.
