DIY

EASY INSTALLATION

UP TO 82FT/25M RANGE

SEE WHO'S THERE IN COLOR

SPEAK & LISTEN TO VISITORS

SEE IN THE DARK UP TO 6FT/2M

ALWAYS KNOW IF THERE'S A VISITOR

TAKES A PHOTO OF VISITORS

Know who's at the door, from anywhere in your home

- An easy yet effective doorway security system for any home, with battery or mains powered Doorbell & wireless video & audio communication back to the rechargeable & portable Doorphone Handset
- See, hear & speak to visitors before opening the door for complete peace of mind
- The sleek Doorbell unit has a built-in video camera with wide 70° viewing angle, runs off 2 x C batteries (not included) or mains power (adapter included) & easily mounts at any doorway
- The stylish Doorphone Handset looks like a cordless phone, sits in a Charging Base & features a 2.4" color LCD screen, allowing you to see & talk to your visitors
- The Doorphone Handset is completely portable – carry it with you from room to room or out into the yard to always know when your visitors have arrived
- You can expand the Wireless Doorphone Intercom with a second Doorbell Unit for another doorway, second Doorphone Handset, & an electric door latch, allowing you to 'buzz' visitors in from the Doorphone Handset
