

Shiplap

Panelling

Infinite allure

The appeal of clean, sharp, continuous lines and shadows. Cedar Sales Shiplap Panelling, in Western Red Cedar, is an ideal alternative to traditional softwood or manufactured panelling systems. This stylish option has the benefits of versatility, stability and a natural finish. The Shiplap boards are profiled to produce an overlap for continuous and uninterrupted lines. Shiplap can be used vertically or horizontally.

Shiplap features and benefits

- Lightweight, but with the stability and durability of Western Red Cedar
- Naturally termite resistant
- Compatible with a variety of foundation conditions
- Can be fixed directly on to battens, or over existing wallboard
- Fixes to both timber and steel framework or substructures
- Available in Dressed Face, or Pre-finished (upon request)
- Features channel and sharp line effects
- Available in three standard widths and three standard thicknesses
- Features effective secret nail overlap

Shiplap is ideal for

- Feature walls
- Half-height features in hallways
- Ceilings
- Soffits and alfrescos
- Saunas and spas
- Gable features
