DAY/NIGHT VISION

WEATHER PROOF

Be protected & see every detail in 4K Ultra HD

- A state-of-the-art & easy to use surveillance system with 4K (or 8 Megapixels, which is 4x better than 1080p Full HD) Ultra High Definition video to see every detail & protect your premises
- Set & forget by recording from 8 channels for 300 days+ onto a 2TB hard drive
- Seeing is believing with 4 Ultra HD 4K cameras offering 130ft/40m infrared night vision & durable construction for indoors or outdoors. Add 4 more Swann NHD-885MSB bullet or NHD-886MSD dome cameras for full 8 channel monitoring^
- The cameras feature state-of-the-art True Detect™ PIR motion sensors designed for security applications & optimized to reliably detect people, but also cars, large pets & other large heat-generating objects
- The built-in microphone in each camera captures audio to add another layer of evidence to your video. Hear off-screen noises & identify voices by their gender, accent & age
- Save time & have peace of mind by easily locating incident video, then transfer to external storage via USB or network
- State-of-the-art software analytics trigger video recording & notification emails: Face Detection notifies you & records when the camera detects a human face; Line Crossing, Perimeter Intrusion, Static Object & Person Detection all help you know what's happening 24/7
- View live or playback video in high definition on your HDTV, LCD screen or monitor via HDMI connection or VGA port
- Surveillance in the palm of your hand with live view and playback on Smartphone & tablets including iPhones, iPads & Android devices using the free HomeSafe View app
- Prevent crime before it happens. Get a reliable push notification, see what's happening with live view & immediately take action to stop any suspicious activity

What can I do with this system?

View close up

With powerful zoom & images 4x clearer than 1080p

Motion & Heat Trigger Recording & Alerts⁺

- ✓ Virtually eliminate false triggers
- ✓ Accurate push notifications to your phone
- ✓ Significantly longer recording time

OLD

All movements, including objects that don't matter like leaves & trees, trigger motion detection & recording

NEW

Designed for your security, the PIR motion sensors distinguish heat & movement of larger objects including people & cars

Note: Indicative visual, video images show onscreen like normal

⁺ Based on accurate sensing of security events involving people, at lowest motion settings

* Monitor, tablet and mobile phones not included. Not all handsets supported

[^] See website for a full list of compatible cameras

Note: Trademarks are properties of their respective owners
