

Vee-Joint

Cladding

A timeless classic

Vee-Joint board is a classic profile with origins dating back almost as far as timber construction itself. A mainstay in traditional colonial homes, Vee-Joint has also enjoyed a renaissance, becoming a popular choice in many modern and architecturally designed buildings and homes. Cedar Sales Vee-Joint, in Western Red Cedar, offers all the benefits of cladding integrity, with the timeless beauty and appeal of a natural timber finish.

Vee-Joint features and benefits

- Strength and durability of Western Red Cedar
- Clear grade
- Traditional tongue for secret fixing
- Straight lines and alignment for uniformity
- Double sided boards available, for use on exposed walls, doors and gates
- Available in three standard widths and two standard thicknesses

Vee-Joint is ideal for

- Alfresco lining
- External cladding
- High-rise external effects
- Ceilings
- Feature walls
- Restoration work
- Balconies
- Doors and gates
