

THE DUX  
ELECTRIC STORAGE  
WATER HEATER  
HAS A LOT OF

PLUSES

AN AUSTRALIAN MADE LARGE  
ELECTRIC WATER HEATER THAT  
MAXIMISES THE DUAL PLUS+  
DOME INNOVATION

At Dux, we do things differently. And it's a big plus.

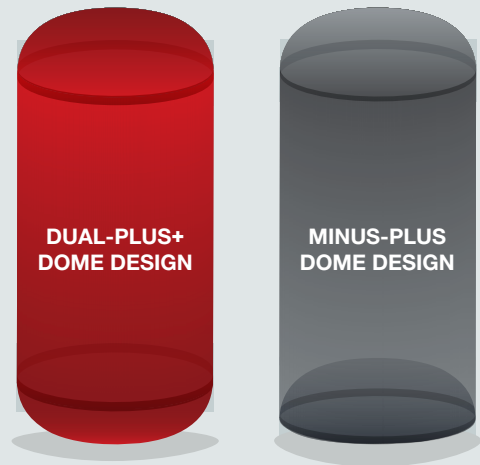

# WANT QUALITY. YOU GOT IT.

## AN INNOVATIVE 'FULLY WELDED' STEEL TANK WITH DUX'S DUAL-PLUS+ DOME DESIGN

All Dux **Proflo**® large electric storage water heaters are made by welding high quality components together to form a robust, high-integrity steel tank. The solid fully welded tank is then coated in super-hard Duro-namel® vitreous enamel. This design delivers a strong, long-lasting water heater.

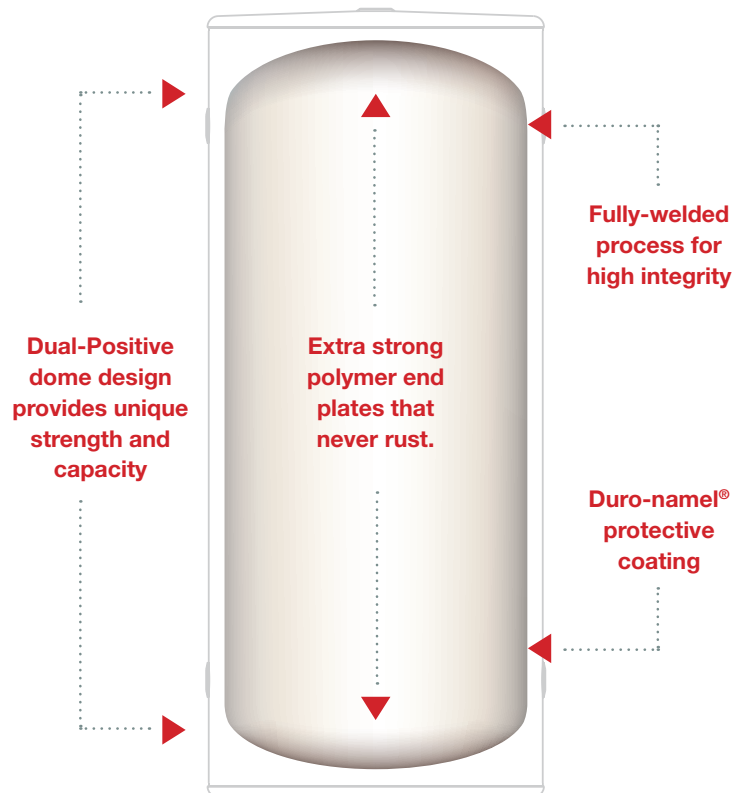

**With Dux, Quality is taking shape.**

**The Dual-Plus+ design maximises strength and capacity delivering the ultimate in tank design.**

## AUSTRALIAN MADE LARGE ELECTRIC STORAGE TANKS. QUALITY YOU CAN TRUST.

- Robust construction process for a quality tank
- Hard wearing, tough polymer end plates resist damage and moisture
- Duro-namel® vitreous enamel to maximise tank life and durability
- Easy installation – dual handed
- Low maintenance and long service life
- Full range from 25L to 400L all with full flow pressure to all taps\*
- Backed by a 7 year tank warranty<sup>^</sup>, including 1 year full parts and labour.

<sup>^</sup>Warranty terms and conditions are in the product's Owner's Manual, visit [www.dux.com.au/warranty-terms](http://www.dux.com.au/warranty-terms) for full details and conditions which apply.

# THINK HOT WATER

Dux produces its high quality large electric water heaters right here in Australia in a brand new ultra-modern assembly plant.
