# CROSSRAY® – the smarter, easier way to B*B*iQ®

**CROSSRAY® BBQs are a result of technological innovation and development over 10 years.**

The design challenge was to create something “NEW” in the BBQ market: redefining a gas BBQ to perform like cooking over a bed of red hot coals; providing even heat without flare-ups and to be a true multi-functional outdoor cooking appliance, that produces tastier and juicier food, and so easy.

CROSSRAY® is the only BBQ that can provide controllable, even heat from 110°C to nearly 400°C, while using 50% less gas than a conventional BBQ.

## Heats up quick smart

- + ready to cook in no time
- + complete temperature control from 110°C to 380°C
- + cooks everything – a true outdoor oven & BBQ
- + perfect for pizzas, roasting and even Low n’ Slow.

## Patented, proven infrared technology

- + laterally mounted infrared burners
- + superior performance compared to traditional open flame BBQs
- + infrared heat eliminates hot and cold spots
- + heat penetrates the food reducing cooking time, keeping food juicy and full of flavour
- + your food is ready sooner and you use less gas – now that’s smart!

## High, even heat

- + no hot and cold spots means better BBQing control
- + virtually eliminates flare ups, as there is no open flame
- + less smoke and the closest thing to a self-cleaning BBQ you can get
- + BBQing has never been easier, lid up or lid down.

## The smarter, easier way to cook

- + infrared technology cooks food evenly while maintaining fabulous flavour and juiciness. Doesn’t dry your food like a traditional BBQ
- + from patties to pizzas, vegetables to veal, or fish to eye fillet, BBQing has never been easier, smarter or more fun
- + with virtually no dangerous flare-ups and reduced smoke, CROSSRAY® offers you the ultimate cooking experience.

## The intensity and quality of charcoal with the convenience and control of gas

- + infrared technology delivers a wonderfully intense heat, just like red hot coals
- + no need to spend hours in preparation... get the quality of charcoal at the touch of a button
- + cook an entire meal like a professional
- + BBQ, outdoor oven, smoker, pizza oven, Low n’ Slow – it’s the only appliance you’ll ever need.

# CROSSRAY® - The BBiQ® that's smarter by design

## 4-burner Trolley BBQ (Model TCS4PL)

**Dimensions:**  
1685mm W x 505mm D x 1255mm H  
(1495mm H with lid open)

5382cm<sup>2</sup> cooking area

**Materials:**

- + 304 Stainless Steel front and rear body panels, lid, side shelves and trolley doors.
- + Die cast aluminium side and end panels.
- + 4 x surface combustion infrared burners, capacity of 13 MJ/hr each.

## 4-burner In-Built BBQ (Model TCS4FL)

**Dimensions:**  
915mm W x 505mm D x 560mm H  
(800mm H with lid open)

5382cm<sup>2</sup> cooking area

**Materials:**

- + 304 Stainless Steel front & rear body panels and lid.
- + Die cast aluminium side and end panels.
- + 4 x surface combustion infrared burners, capacity of 13 MJ/hr each.

## 2-burner Trolley BBQ (Model TCS2PL)

**Dimensions:**  
1405mm W x 505mm D x 1255mm H  
(1495mm H with lid open)

3556cm<sup>2</sup> cooking area

**Materials:**

- + 304 Stainless Steel front and rear body panels, lid, side shelves and trolley doors.
- + Die cast aluminium side and end panels.
- + 2 x surface combustion infrared burners, capacity of 13 MJ/hr each.

## 2-burner In-Built BBQ (Model TCS2FL)

**Dimensions:**  
635mm W x 505mm D x 560mm H  
(800mm H with lid open)

3556cm<sup>2</sup> cooking area

**Materials:**

- + 304 Stainless Steel front & rear body panels and lid.
- + Die cast aluminium side and end panels.
- + 2 x surface combustion infrared burners, capacity of 13 MJ/hr each.

All CROSSRAY BBQs come with grill plates as standard.

## Features

High intensity infrared burner, 13MJ/hr each

LED illuminated control knobs

Easy to access drain tray

2 piece upper level cooking area

Electronic ignition for simple burner start-up

## Optional Accessories

Hot plate, black, enamel  
TCS4AC-001

Natural Gas conversion kit  
TCS4AC-003

Outdoor vinyl cover for 4 & 2 burner trolley models

TCS4AC-002 (4B), TCS2AC-005 (2B)

Outdoor vinyl cover for 4 & 2 burner in-built models

TCS4AC-004 (4B), TCS2AC-006 (2B)

Rotisserie Kit for 4 & 2 burner models

TCS4AC-008 (4B), TCS4AC-007 (2B)
