| Item No | Part Description                                                    | Part number | Qty |
| 1       | Seal for valve                                                      | G640101     | 4   |
| 2       | Electrical connection box                                           | G950101     | 1   |
| 3       | Tube burner left front #2                                           | G640103     | 1   |
| 4       | Nut for thermocouple                                                | G640104     | 4   |
| 5       | Thermocouple (350)                                                  | G640105     | 2   |
| 6       | Ignition pin (470)                                                  | G640106     | 1   |
| 7       | Injector #50 Aux 0.9mm                                              | G640107     | 1   |
| 8       | Burner Base #50 Aux                                                 | G950107     | 1   |
| 9       | Tube burner right front #1                                          | G640109     | 1   |
| 10      | Screw                                                               | G640110     | 14  |
| 11      | Washer                                                              | G640111     | 10  |
| 12      | Screw                                                               | G640112     | 8   |
| 13      | Gas valve 1 for right front #50 Aux (0.6)                           | G640113     | 1   |
| 14      | Gas valve 2 for left front #100 Rapid (0.9)                         | G640114     | 1   |
| 15      | Gas valve 3 & 4 for left rear #70 & right rear #70 Semi-Rapid (0.7) | G640115     | 2   |
| 16      | Clip for tube                                                       | G640116     | 1   |
| 17      | Gas inlet supply tube main (inc items 25,26,27,28)                  | G640117     | 1   |
| 18      | Tube burner right rear #4                                           | G640118     | 1   |
| 19      | Injector #70 Semi-Rapid 1.10mm                                      | G640119     | 2   |
| 20      | Burner base #70 Semi-Rapid                                          | G950105     | 2   |
| 21      | Ignition pin (220)                                                  | G640121     | 2   |
| 22      | Tube burner left rear #3                                            | G640122     | 1   |
| 23      | Thermocouple (550)                                                  | G640123     | 2   |
| 24      | Ignition pin (120)                                                  | G640124     | 1   |
| 25      | Connection                                                          | G640125     | 1   |
| 26      | Gasket seal                                                         | G640126     | 1   |
| 27      | Nut for connection                                                  | G640127     | 1   |
| 28      | Elbow connection main                                               | G640128     | 1   |
| 29      | Burner #50 Aux                                                      | G950145     | 1   |
| 30      | Burner cap #50 Aux                                                  | G640130     | 1   |
| 31      | Control knob                                                        | 06801501    | 4   |
| 32      | Burner #70 Semi-Rapid                                               | G950134     | 2   |
| 33      | Burner cap #70 Semi-Rapid                                           | G640133     | 2   |
| 34      | Trivet enamel R/H                                                   | G640134     | 2   |
| 35      | Hob panel stainless steel                                           | G640135     | 1   |
| 36      | Burner cap #100 Rapid                                               | G640136     | 1   |
| 37      | Burner #100 Rapid                                                   | G950136     | 1   |
| 38      | Injector #100 Rapid 1.35mm                                          | G640138     | 1   |
| 39      | Burner base #100 Rapid                                              | G950124     | 1   |
| 40      | Ignition pack                                                       | G640140     | 1   |
| 41      | Hob base plate                                                      | G640141     | 1   |
| 42      | ULPG Test Point                                                     | 6160452     | 1   |
| 43      | NG Regulator                                                        | 6160595     | 1   |
| 44      | Installation Kit                                                    | 06160000    | 1   |

| 5       | Burner base #70 Semi-Rapid                                     | G950105  | 2   |
| 6       | Tube burner left rear #2                                       | G950106  | 1   |
| 7       | Burner base #50 Aux                                            | G950107  | 1   |
| 8       | Tube burner left front #1                                      | G950108  | 1   |
| 9       | Gas valve 1 for left front Aux #50 (0.6)                       | G950109  | 1   |
| 10      | Clip for tube                                                  | G950110  | 1   |
| 11      | Gas valve for left rear #70 & right front Semi-Rapid #70 (0.7) | G950111  | 2   |
| 12      | Gas valve 3 for centre burner Wok #120 (1.1)                   | G950112  | 1   |
| 13      | Gas valve 4 for right rear Rapid #100 (0.9)                    | G950113  | 1   |
| 14      | Clip for tube                                                  | G950114  | 1   |
| 15      | Gas inlet supply tube main (inc items 30,31,32,33)             | G950115  | 1   |
| 16      | Clip for tube                                                  | G950116  | 1   |
| 17      | Seal for valve                                                 | G950117  | 1   |
| 18      | Tube burner right front #5                                     | G950118  | 1   |
| 19      | Injector #70 Semi-Rapid 1.10mm                                 | G950119  | 2   |
| 20      | Thermocouple (350)                                             | G950120  | 2   |
| 21      | Ignition pin (570)                                             | G950121  | 4   |
| 22      | Nut for thermocouple                                           | G950122  | 5   |
| 23      | Tube burner right rear                                         | G950123  | 1   |
| 24      | Burner base #100 Rapid                                         | G950124  | 1   |
| 25      | Injector #100 Rapid 1.35mm                                     | G950125  | 1   |
| 26      | Hob stainless steel                                            | G950126  | 1   |
| 27      | Control knob                                                   | 06801501 | 5   |
| 28      | Injector #50 Aux 0.9mm                                         | G950128  | 1   |
| 29      | Tube burner centre #3                                          | G950129  | 1   |
| 30      | Connection                                                     | G950130  | 1   |
| 31      | Gasket                                                         | G950131  | 1   |
| 32      | Nut supply tube                                                | G950132  | 1   |
| 33      | Elbow supply tube                                              | G950133  | 1   |
| 34      | Burner #70 Semi-Rapid                                          | G950134  | 1   |
| 35      | Burner cap #70 Semi-Rapid                                      | G950135  | 1   |
| 36      | Burner #100 Rapid                                              | G950136  | 1   |
| 37      | Burner cap #100 Rapid                                          | G950137  | 1   |
| 38      | Trivet cast iron R/H                                           | G950138  | 1   |
| 39      | Trivet cast iron centre                                        | G950139  | 1   |
| 40      | Centre burner cap #120 Wok                                     | G950140  | 1   |
| 41      | Outer burner cap #120 Wok                                      | G950141  | 1   |
| 42      | Burner #120 Wok                                                | G950142  | 1   |
| 43      | Trivet cast iron L/H                                           | G950143  | 1   |
| 44      | Burner cap #50 Aux                                             | G950144  | 1   |
| 45      | Burner #50 Aux                                                 | G950145  | 1   |
| 46      | Thermocouple (500)                                             | G950146  | 1   |

WIRING DIAGRAM

**IMPORTANT SAFETY NOTICE**

This diagram has been prepared for use by electrically qualified service technicians. The manufacturer cannot be held responsible for the interpretation of its service publications nor for any injury and damage that may occur in connection with their use.

**WARNING**

IT IS ILLEGAL FOR PERSONS OTHER THAN LICENSED ELECTRICAL MECHANICS OR PERSONS AUTHORISED BY LEGISLATION TO WORK ON THE FIXED WIRING OF ANY ELECTRICAL INSTALLATION. PENALTIES FOR CONVICTION ARE SEVERE.
