Final Step (For Brick/Masonry wall):

Final Step (For Plaster wall):

It is STRONGLY RECOMMENDED that you ANCHOR this product.

Toppling furniture can cause serious injuries and death.

A “Tip over prevention kit” has been provided with this product to stop your furniture from tipping forward, it is strongly recommended that you **securely attach this product** to a wall or other solid surface using the provided fixings.

IMPORTANT: Regularly check that anchors are securely maintained. Stability of tall items may be affected by thick pile carpet or uneven floors.

CAUTION:

For your safety when attaching the anchor fixings, please note the following:

- Check for any electrical wires or plumbing inside the wall before drilling any holes (if you are unsure please seek professional advice from a qualified tradesperson)
- Walls are constructed from different materials, for example, masonry (solid brick) or plasterboard lined cavity walls (hollow). It is important that you use the appropriate wall fixings for your wall type.
