Flexdrive™ 10 year fix or replace warranty

Flexdrive™ Rotomoulding Pty Ltd, trading as Flexdrive™ Tank Solutions (hereafter called Flexdrive™) warranty (no pro-rata) to repair or replace (at our option) any defect or fault in our water tank products caused by the manufacturing process, for a period of ten (10) years, provided that tank has been installed by an approved installer, and where clear ground access to the tank is maintained. Please note that Flexdrive™ recommends plumbing installation for the tank is carried out by a suitably licensed plumber.

Installers must adhere to the Flexdrive™ Tank installation guidelines or the warranty may be void. Flexdrive™ also recommends installers obtain & refer to the Standards Australia 'Rainwater Tank Design & Installation Handbook' HB 230 -2006 for industry best practice installation procedures.

1. The warranty is granted to the original purchaser and is transferable to any heir or successors in the title thereof. Please note – the warranty will be null and void if the tank is relocated.
2. The warranty period of ten (10) years for water tanks commences from the date of purchase.
3. The warranty is limited to the repair or replacement of the tank only. This option will be at Flexdrive™'s sole discretion.
4. Flexdrive™ will not be liable for any consequential losses including loss of profits or damage to property.
5. The warranty does not apply to tank colour which may fade or change. Further, the strainer, outlet (if supplied by Flexdrive™), gate valve (if supplied by Flexdrive™), and over flow are warranted for 12 months only.
6. The warranty is void and will not be binding upon Flexdrive™ in the event of abuse, improper installation, unsound base, or unauthorized modifications to the tank.
7. Flexdrive™ must be notified of any defect or fault within fourteen (14) days of it occurring and given the opportunity to inspect the tank within thirty (30) days of such notification. Otherwise the warranty is void.
8. Flexdrive™ tanks are sold for water storage and are restricted to that purpose only. Storage of any other materials in the tank will void this warranty.
9. In the event of war, riot, civil commotion or terrorist activities this warranty is void. The determination and/or application of this clause remain solely at the discretion of Flexdrive™.
10. Flexdrive™ tanks are designed to be installed outside the external wall of the home only. Flexdrive™ does not recommend the installation of tanks inside the perimeter of the house - to do so will void this warranty.
