Insitu Stainless Steel Shower Channel

- Functional and practical Insitu Shower Channel that allows for tiles to be laid slopping in one direction towards the channel.
- Designed to compliment any stylish bathroom.
- Manufactured from 304 grade stainless steel.
- Seamless welds ensuring no leaks when installed correctly.
(To be installed by a licensed plumber)
- Removable lid for easy cleaning.

Available sizes: 900mm I/N: 5130888

1200mm I/N: 5002125

1500mm I/N: 5002126

Our Insitu Shower Channel is designed for use in tiled floors. It is a modern day alternative to the humble shower drain and is sure to provide the "WOW" factor to your shower.
