FEATURES:

- Ornamental ground cover which will also trail over walls or embankments.
- A lengthy display of mid blue, star-shaped flowers from spring through to winter.
- Deep green foliage forms an evergreen, dense mat ideal for weed suppression.
- Tolerates dry shade once established.

SUGGESTED USES:

- Mass plant as ground cover for low light areas.
- Will cascade over rockeries, embankments and retaining walls.
- Edging for garden beds, paths or paved areas.
- Small gardens, containers and general garden use.

CULTURAL CARE

Suited to most soil types which are moist but well draining. Trim back after main flowering to encourage neat, dense habit.

Apply a slow release fertiliser during early spring for best results.
