Features & Benefits

Security

Reduces break-ins up to 98.7% by turning your easy entry windows into impassible barriers, giving you a secure home.

Energy Savings

The climate control properties will give you savings of up to 40% on your energy bills.

Privacy

100% blockout from the outside world stops people looking inside your home.

Light Control

Control the amount of light entering your home from full natural light to complete darkness, you decide.

Storm & Hail Protection

Protects your windows during hailstorms and windy days which eliminates the chance of glass break and outside exposure.

Climate Control

15°C cooler in summer and 15°C warmer in winter for the most comfortable interior environment.

Noise Reduction

Noisy Neighbours and loud music will be a thing of the past with up to 70% reduction from outside noise.

Bushfire Protection

Eliminate the chance of fires and outside exposure by blocking the excess heat and embers from breaking your windows.

Do It Yourself & Enjoy

- Easy to install roller shutters**
 It's as easy as; drilling 8 holes in your shutter guides, drilling 8 holes into your wall and drilling 1 hole for the electric motor or battery motor cable, then securing the shutter to your wall and it's done.
- Fully assembled roller shutters in one package**
 The ready to install EZY-FIT Roller Shutters will be sent to you complete with instructions in one easy to manage package. (Optional battery backup in a separate package).
- Free delivery to your door all across Australia**
 We would like everybody to enjoy the benefits of EZY-FIT Roller Shutters on their homes to provide added security and peace of mind whether you live in urban or rural areas. EZY-FIT Roller Shutters will be delivered to your door for free.
- Easy to follow and precise instructions**
 We have designed a set of interactive instructions to guide you through each step of measuring, ordering and installing your EZY-FIT Roller Shutters. You can follow the instructions at your own speed and confidently install your roller shutters. *It's that easy.*
- 24hr call centre**
 With the most reliable, prompt and professional service, our 24hr call centre has been established for customers to call us should they encounter any problems at any stage.
