## The original galvanised rotary hoist

Whether for commercial or residential use, the Fixed Rotary offers the strength and reliability associated with washing lines of yesteryear. Ideal for virtually maintenance free situations.

- ✓ Rotaries are manufactured using BlueScope<sup>®</sup> Galuabond<sup>®</sup> Steel Tube
- ✓ Galvanised Wire is threaded through pre-punched arm holes
- ✓ Full assembly is required for permanently fixed Rotaries
- ✓ The Deluxe Rotaries feature a one piece Column with plastic gear case
- ✓ The Elite is a powder coated Deluxe Rotary
- ✓ The Super Rotaries feature a two piece Column with alloy gear case
