Features

Benefits

Control Panel Child Lock

An excellent feature to prevent children from tampering with the control panel. It also ensures that the selected program cannot be changed when the child lock is activated.

Loaded Adjustable Upper Basket

Adjustable top basket allows a 30cm plate in the bottom. Without compromising your cups, mugs and glasses in the top basket.

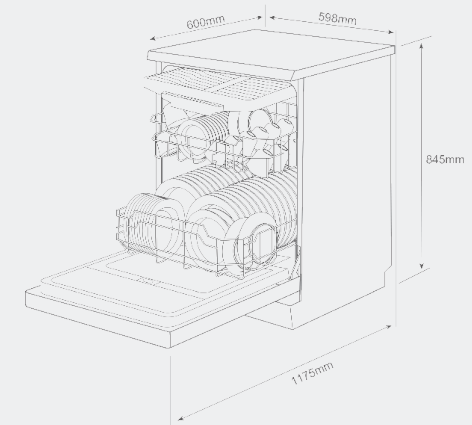

Adjustable Tines

The bottom basket has adjustable tines which can offer ultimate loading flexibility.

Anti-Flood Protection

In built safety system to avoid water damage just in case of water overflow.
