

HE952

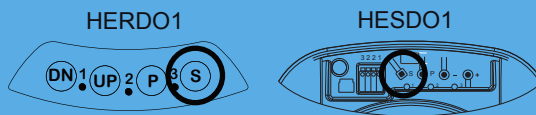

**HOMENTRY™**

Works with these HomEntry garage door openers

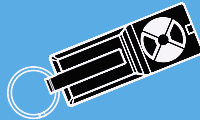

**HERDO1  
HESDO1**

Steps for how to program your remote control  
to your HomEntry garage door opener:

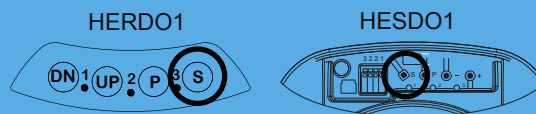

1. Find the "S" (save) button on your opener.

2. Press and hold the button your remote control  
that you want to use.

3. Press and release the "S" (save) button on  
your garage door opener.
