Indoor Security Camera
Wi-Fi Series

See what's happening from anywhere 24/7
A plug & play security camera that allows you to see & stay connected at any time on your Smartphone. Just plug into power & connect to Wi-Fi

Protect your home at all times
The Camera is like another set of eyes, using True Detect™ technology to sense heat from people & pets, triggering a push notification & recording

Keep an eye on your baby or an elderly relative
Small & easy to move around, just mount the camera near the baby's crib or check on an elderly relative even if they are miles away

Check in on loved ones & pets
Use the video & 2-way audio to interact with family, tradespeople & pets to make sure everything is okay. It's security made smarter!
