Benefits

Over 90 years of Stainless Steel know-how make Blanco one of the world leaders in sink manufacturing, which translates to superior products for your home

Highest quality Stainless Steel provides a hygienic work surface for food preparation.

-Quality finish for optimal performance.
-Easy maintenance.
-Maintains its lustrous appearance.

-Strong rigid work surface.
-Helps to prevent water escaping from the sink to your bench top.
-Strength and stability

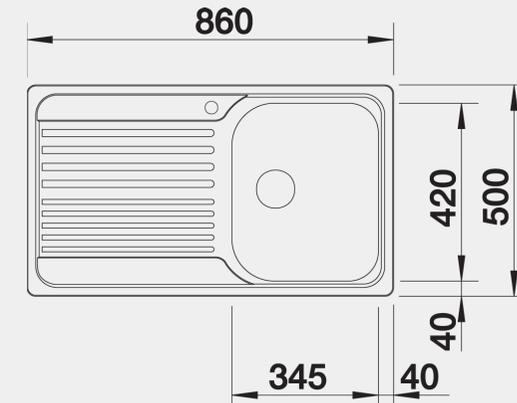

Further elevates tap from water and helps to prevent grime build up at base of tap

Maximum bowl capacity easily accommodates large baking trays, pots and utensils.

-Flat work Surface.
-No dirt or grime build up.
-No pooling of water during food preparation or draining dishes.

-Eliminates the risk of water penetrating the cabinet below.
-Reduces installation time & costs.
-For a Quick & Easy installation.
