### product data

#### Volume

The internal cubic capacity of the product.(eg. Storage Box + Seat-340 Litres , Orion-13.2 cubic metres)

#### Colours

Colour notations are as follows: T/B-Taupé Beige, BTB-Dark Brown/Taupé Beige, GLB-Green Light Beige, ÉBR-Espresso Brown, AN-Anthracite Grey, GU-Grey and White.

#### Weight

This is the total weight of each item including packaging.

#### Pack Size

Pack size is of overall product packaging. It will denote where 2 or more cartons are involved.

#### Article #

This is the manufacturer's article number(see www.keter.com ) and can be used as a product reference number for ordering.

#### Installation

With regards to installation of all products it is important that assembly instructions are followed to ensure warranty is not void. It is essential that the sheds are assembled on a completely flat surface to ensure quality of fit and finish. The sheds all have provision in the floor for a tie down-if going on a concrete slab or pavers we recommend a M10 galvanised dyna screw or bolt - if going on dirt, sand or other 'soft' surfaces we recommend an M10 galvanised cup head bolt 300-400mm long(depending on ground firmness)

#### Warranty

All products have a comprehensive warranty by the manufacturer, Keter in Israel. To see full details of warranty, please see assembly instructions for particular products on www.keter.com
