WALL TO HINGE PANEL = 5 to 10mm

HINGE TO DOOR PANEL = 3 to 5mm

DOOR TO FIXED PANEL = 3 to 5mm

# EnduroShield

### CARING FOR YOUR SHOWER SCREEN

EnduroShield is an environmentally friendly, invisible protective coating that can reduce cleaning time by up to 90%. Similar to a non-stick fry pan, cleaning is made easy using only a mild detergent or a damp microfiber cloth. EnduroShield is water, oil and heat resistant, and even helps prevent the build up of bacteria, making it the perfect protection for your new glass showerscreen
