Date of Issue: 26 March 2010
Mötsenböcker's Lift Off FSR

Section 1 Identification of the material and supplier

Company: THE FLOOD COMPANY AUSTRALIA P/L
Address: 4 NELSON AVE, PADSTOW NSW 2211
Telephone Number: 02 9790-5158 1800 226-113
Emergency Telephone Number: 02 9826-6929

Product Name: Mötsenböcker's Lift Off Silicone, Latex Caulk, and Foam Sealant Remover
Other Names: Not Applicable
Manufacturer's Product Code: Not applicable

Use: Water-based and biodegradable blend for general cleaning

Section 2 Hazards identification

This product is not a dangerous good

UN Number: Not Applicable

Dangerous Goods Class and Subsidiary Risk: DOT class not regulated. Not a dangerous good according to the Australian Dangerous Goods Code

Hazchem Code: Not Applicable

Poisons Schedule Number: Not applicable

Hazard rating: Health 1 Fire 0 Reactivity 0

Section 3 Composition/information on ingredients

Ingredients:	%	PEL	TWA (mg/ m ³)
Acetone 67-64-1	*ACGIH STEL = 2380 mg/m ³	<10	2400 1780*

STEL= 15 minutes average in air PEL = OSHA 8 hours average in air

SARA 313 Toxic chemicals if present are preceded by # @ + +

Trade secret ingredients NJTSRN #411-45, 411-16

This product contains a cellulose material as a thixotropic agent.

SARA 313 TOXIC CHEMICALS are not present.

NJTRSN= New Jersey Trade Secret Registry Number

Section 4 First aid measures

Swallowed: Rinse mouth, then drink 1 or 2 large glasses of water, DO NOT induce vomiting. Never give anything by mouth to an unconscious person

Eye: Flush immediately with plenty of cool running water. Remove contact lenses continue flushing for 15

Date of Issue: 26 March 2010
Mötsenböcker's Lift Off FSR

minutes.

Skin: Flush skin with cool running water. Wash thoroughly with soap and water. Wash contaminated clothing before reuse.

Inhaled: Remove to fresh air if needed

IF IRRITATION PERSISTS CALL A DOCTOR

Advice to Doctor: Treat symptomatically

Section 5 Fire fighting measures

Flashpoint: Not applicable

Flammability Limits: Not Flammable water based

This water based product has been tested by DOT methods and shown not to support combustion

Special Fire Hazards: None

Section 6 Accidental release measures

Clean up: Ventilate, Mop up. Smaller amounts may be flushed to sewer.

Waste Disposal: consult state/ local authorities for limits of disposal of chemical waste.

Section 7 Handling and storage

Respiratory protection - Ventilate to maintain exposure below limits.

When using the product, wear rubber gloves and eye protection such as splash proof glasses.

Section 8 Exposure controls/personal protection

See section 3 for exposure information

Respiratory: Ventilate to maintain exposure below limits

Wear rubber gloves and eye protection such as splash proof glasses.

Section 9 Physical and chemical properties

- Appearance Clear liquid, mild odor
- Solubility in Water Mixes with water in all proportions
- pH 11.9-12.1 used at 100%
- Initial Boiling Point 194 degrees Fahrenheit (90 degrees Celsius)
- Specific Gravity 1.0

Date of Issue: 26 March 2010
Mötsenböcker's Lift Off FSR

- Vapor Density Heavier than air
-

Section 10 Stability and reactivity

Stable under normal conditions of handling.

Conditions to Avoid Store in a cool, dry place. Do not use on hot surfaces or in closed areas without adequate ventilation.

Section 11 Toxicological information

Health Effects

Effects of overexposure to concentrate

Swallowed: May cause stomach distress

Eye: Causes Eye irritation

Skin: Contact with product can dry and defat skin, causing irritation or dermatitis

Inhaled: Prolonged exposure to vapours may cause dizziness.

Section 12 Ecological information

Green Cross Certified as biodegradable by Scientific Certification Systems (SCS).

Section 13 Disposal considerations

Mop up. Smaller amounts may be flushed to sewer

Section 14 Transport information

This product is not a dangerous good for transport

UN Number. Not applicable

UN Proper Shipping Name. Not applicable

Class and subsidiary risk(s). Not applicable

Hazchem Code. Not applicable

Section 15 Regulatory information

USA health rating of 1 Slight Irritation or minor injury may result from exposure to this substance.

Section 16 Other information

Keep out of reach of children and pets.

The above information is believed to be correct with respect to the formula used in manufacture of the product. As data, standards and regulations change, and conditions of use and handling are beyond our control, NO WARRANTY, EXPRESSED OR IMPLIED, IS MADE AS TO THE COMPLETENESS OR CONTINUING ACCURACY OF THE INFORMATION
