

POLYTUF D-RING TARP WARRANTY

LIMITED EXPRESS WARRANTY

This Polytuf tarp is treated with SUNSHIELD-UVI® a specifically formulated ultra violet light inhibitor for maximum UV resistance.

Note: The SUNSHIELD-UVI® treatment applied to this tarp significantly improves its resistance to UV degradation. However, continuous prolonged exposure may result in some UV deterioration.

MAYO HARDWARE Pty Limited warrants your Polytuf Tarp to be free from defects in material and workmanship. This warranty is extended to the first retail purchaser of the Tarp for consumer use, and lasts for four (4) years commencing from the date of purchase. The warranty covers the replacement of any tarp that is defective (unless those defects result from: continuous prolonged exposure to sunlight for a period greater than 3 years or the abuse or misuse of the tarp, such as puncture or damage caused from excessive wind or heat). If you discover a defect in the tarp during the warranty period and wish to obtain a replacement, please forward to Mayo Hardware Pty Limited at the address below a written description of the claimed defect and a copy of the original invoice. Any expenses incurred by the consumer in making the warranty claim are at the cost of the consumer.

Our products come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. The benefits to the consumer given by this warranty are in addition to other rights and remedies of the consumer under law in relation to the goods or services to which the warranty relates.
