

# Castelation & Screenclad

Panelling

## An extra dimension

The fresh appeal of modern battens. Castelation & Screenclad, both in Western Red Cedar, are partner products from Cedar Sales. Both profiles compliment contemporary design trends in commercial and residential buildings. Continuous channels and shadowlines achieve a multi-dimensional batten look that is efficient and reliable.

## Castelation & Screenclad features and benefits

- Interlocking profile gives consistent alignment and integrity
- Specially designed interlocking tongue allows for secret fixing
- Interchangeable with three other Cedar Sales' Castelation Combination profiles
- Perfectly straight lines and shadows
- Single piece 'batten' look means installation is efficient and uncomplicated
- Excellent acoustic properties
- Available in one standard width and three standard thicknesses

### Get creative!

See next page for ideas and inspiration, using Cedar Sales Combinations.

## Castelation & Screenclad is ideal for

- Alfresco and Portico ceilings
- Entrances
- Media rooms
- Internal features – island benches, planter boxes
- Intermediate walls
- Bulkheads
