# TILE GROUT REFRESHER

## Directions

1. Ensure you prepare the surface properly, as the better the preparation the better the job. Remove any loose grout and re-grout those areas.
  2. Clean grout lines with a tile grout cleaner or similar cleaner that will not leave residue. All soap scum must be removed.
  3. Shake bottle well with cap on for at least 1 minute.
  4. Pour a portion of the tile grout refresher into a container and load up a foam applicator or a small paint brush.
  5. Paint over the grout line with a thin, even coat ensuring minimal contact onto the tiles.
  6. Wipe any tile grout refresher off the tiles as you go with a damp sponge or cloth - Do not allow the product to fully dry on the tiles.
  7. Polish the tiles with dry cloth or paper towels and allow to dry for 24 hours before use.
  8. Dark coloured grout lines or excessively discoloured grout lines may need additional coats.
- If you need to remove any product from tiles – please use a citrus based cleaner or methylated spirits.

# PRE-MIXED TILE GROUT

Red Devil Pre-Mixed Tile Grout is an acrylic based white grout formulated for use on ceramic and mosaic tile. It is a unique grouting composition that provides professional quality with do-it-yourself ease and is formulated to a user-friendly consistency for improved durability.

## Adheres to:

Tiles, Masonry, Wood, Wallboard

## Use on:

Use to grout ceramic and mosaic tiles.

## Features:

- Water Clean Up
- Mildew and Water Resistant
- VOC Compliant
- Excellent Adhesion and Durability

# PRE-MIXED TILE PASTE ADHESIVE

Red Devil Tile Paste Adhesive is an acrylic/water based adhesive formulated for permanently bonding many types of floor and wall tiles. Perfect for installing and repairing mosaic, plastic and ceramic tile and linoleum.

## Adheres to:

Vinyl, Metal, Plastic, Ceramic, Rubber, Wood, Linoleum

## Use on:

Many types of floor and wall tiles.

## Features:

- Water Clean Up
- Mildew and Water Resistant
- VOC Compliant
- Excellent Adhesion and Durability

# KITCHEN & BATH WITH STAIN BLOCK

Red Devil's Kitchen & Bath Stain Block is specially formulated to resist the toughest stains: Red wine/grape juice, coffee, mustard, ketchup, soy sauce, etc. This advanced sealant can be painted with latex and oil-based paints, and cleans up with water. Cured bead is mould and mildew resistant.

## Use on:

Use to bridge small gaps in bathroom fixture applications, such as between fixture and floor or fixture and wall.

## Features:

- Resists the Toughest Stains
- High Gloss Finish
- Water Clean Up
- Paint-able
- Excellent Adhesion
- Durable Watertight Seal
