# Fencing Range

Steel Plus Style

Your guide to the LYSAGHT® range of steel  
fencing products and solutions

**LYSAGHT**

# Why a LYSAGHT® steel fence?

Boundary and security fences are among the most visible features of many homes – and also the most exposed to the elements. That's why the fence you select needs to be strong, durable, attractive and could also add value to your home. Choose a LYSAGHT® fencing solution and you'll enjoy all those features – plus one more. Your fence will be protected by an exclusive 10 year warranty.\*

- A LYSAGHT® steel fence provides the strength of COLORBOND® steel combined with an attractive appearance on both sides
- LYSAGHT® steel fences are manufactured by BlueScope Lysaght, the only Australian steel building products manufacturer with over 150 years of experience
- All LYSAGHT® steel fences are 100% Australian made and your fence is protected by our exclusive 10 year fence warranty\*
- LYSAGHT® steel fences are designed to Australian Standards so you can be confident they will handle the buffeting of winds and backyard games\*
- In a range of colours to match your home, LYSAGHT® steel fences, are available in 1500mm, 1800mm and 2100mm heights

\*When the fence is installed and maintained according to COLORBOND® steel and LYSAGHT® fencing specifications. Conditions apply visit [www.lysaght.com](http://www.lysaght.com). Check for any height restriction on fencing with your local council prior to purchase.

# Range of styles

With five profile styles in the LYSAGHT® steel fence range there's bound to be one that will complement the look of your home and garden.

LYSAGHT MINISCREEN®, SMARTASCREEN®, CUSTOMSCREEN® and NEETASCREEN® are all classic fence profiles that will enhance the appearance of your property for years to come. With matching posts and rails engineered for durability and strength, they are the heart of a LYSAGHT® fencing solution that looks great from both sides.

LYSAGHT MANDALAY® is the newest addition to the LYSAGHT® range. The elegant parallel slats are manufactured from durable COLORBOND® steel ensuring a cost effective, low maintenance fence that will look fantastic for many years.

# LYSAGHT® classic range

## MINISCREEN®

With COLORBOND® steel infill sheets in the classic LYSAGHT MINI ORB® profile you've got an eye catching fence capable of enhancing any property.

Create a steel fence with a unique appearance that is at home in any setting – one with the distinctive fluting of infill panels framed by striking posts and rails that combine to provide a truly attractive yet durable fence.

- Post, rail and panel colours allow mix and match combinations
- 100% termite and rot resistant
- May be stepped or raked on sloping ground
- Available in 1500mm, 1800mm & 2100mm panel heights
- Centre rail visible on one side of the fence

## NEETASCREEN®

Modular LYSAGHT NEETASCREEN® steel fencing is one of the most versatile and durable fencing systems you can buy.

The vertical ribbed panels made from 100% Australian COLORBOND® steel provide strength and good looks that last and last.

- Posts, rails and panels are available in a range of COLORBOND® steel colours to allow mix and match combinations
- Total component system means quick and simple installation
- 100% termite and rot resistant
- May be stepped or raked on sloping ground
- Available in 1500mm, 1800mm & 2100mm panel heights

**Type 3 NEETASCREEN® fencing is recommended in North Queensland cyclonic regions. Discuss your requirements with your local supplier.**

//...made using quality all-Australian COLORBOND® steel for low maintenance, durability, security and privacy.//

## SMARTASCREEN®

LYSAGHT SMARTASCREEN® fencing keeps neighbours happy with its unique profile giving the same stylish look no matter which side of the fence you are on. Its clean, attractive lines have a subtle, textured finish that looks right at home in any setting.

SMARTASCREEN® is a favourite with property owners and installers because of its timeless, low maintenance design backed by the durability you'd expect from Australia's leading steel building products supplier.

- Neighbour friendly – the same attractive look on both sides
- Available in a range of COLORBOND® steel colours
- Provides security and privacy to your home
- 100% termite and rot resistant
- May be stepped or raked on sloping ground
- Available in 1500mm, 1800mm & 2100mm panel heights

## CUSTOMSCREEN®

Looking for an attractive fencing solution with a familiar profile that's at home in any neighbourhood? LYSAGHT CUSTOMSCREEN® fencing takes its style from the LYSAGHT CUSTOM ORB® corrugated roofing profile that's been a favourite with generations of Australians.

Whether you want to match the look of nearby roofing or walling, or just admire the symmetry of its classic corrugations, you'll find CUSTOMSCREEN® fencing gives your property a distinctive look that adds style and practicality.

- Available in a range of COLORBOND® steel colours
- Provides security and privacy for your home
- 100% termite and rot resistant
- May be stepped or raked on sloping ground
- Available in 1500mm, 1800mm & 2100mm panel heights

# Introducing MANDALAY® fencing

Let LYSAGHT MANDALAY® fencing\* inspire your imagination and transform the look of your home.

Representing a complete innovation in contemporary fencing, add style and value to your home with MANDALAY® fencing. Complementing both modern and traditional homes, MANDALAY® is perfect as a boundary fence, screening for patios, carports or even to hide unsightly household objects like rubbish bins. The slat style of the MANDALAY® fence allows breeze and natural light flow, while contributing to the privacy and look of your home.

MANDALAY® provides a modern and stylish look that can be installed as a standalone fence or combined as an infill to brick or rendered concrete posts.

Available in 1200, 1500 and 1800mm full fencing heights and also as a 300mm feature on top of traditional steel modular panel fencing.

*“...allows breeze and natural light flow, while adding to the privacy and look of your home.”*

Elegant, parallel slats made of durable and cost effective pre-painted COLORBOND® steel make up each panel, ensuring a low maintenance fence that will look fantastic for many years. The ideal choice for a front fence, it adds privacy and flair to any property, while maintaining some interaction with the street.

The MANDALAY® fencing system can be used in conjunction with other fencing products and may also act as a ‘feature’ element across a driveway, or as a border. MANDALAY® is available in 1200, 1500 and 1800mm full-fencing heights and also as a 300mm feature on top of traditional, modular steel fencing. Flat packed then easily assembled on-site, MANDALAY® is the ideal fencing solution for both installers and property owners wanting a stylish, durable fence at an affordable price.

\*Not suitable for use as balustrades or climbing on.

# Personalised to your home

Choosing a new fence is a great opportunity to highlight or complement your home and garden's best features with colours and profiles that will look great in any season. Discover how a LYSAGHT® steel fence can provide more than just privacy and security. Mix and match colours for infill panels, posts and rails to achieve the effect you want.

Whether your block is level or sloping you can still achieve an attractive outcome, because LYSAGHT® classic steel fence panels can be raked to follow the contours of the ground with clean lines that look great from any angle.

MANDALAY® can also be used on uneven surfaces by stepping the panels.

# Choice with PLUS options

Looking for a fence that makes even more of a style statement for your property? You can do it with popular LYSAGHT® PLUS options. Once you've selected the style and colour combination best suited to your property, why not add matching or contrasting PLUS option lattice, or MANDALAY® slat panels, with elegant ball caps for the finishing touches? PLUS options vary from region to region, so check with your distributor for local availability. And while you're checking, don't forget to enquire about our matching gate options. You'll be glad you did.

**Lattice** - At last there's a lattice option for a decorative fence highlight that combines durability and low maintenance to match its good looks.

Framed by the strength of unique, matching post and rail sections, Lattice panels also create the opportunity to glimpse your surroundings without surrendering your privacy.

**MANDALAY®** - If you're looking for a finishing touch designed to add even more elegance to your fence, then you won't find a better PLUS option than MANDALAY® slats.

The horizontal elements of this stylish panel are framed by unique LYSAGHT® post and rail sections to provide a formal character ready to complement any surroundings.

# Made using COLORBOND® steel

Your Australian-made LYSAGHT® steel fence is manufactured using COLORBOND® steel from Australia's largest manufacturer, BlueScope Steel. You get peace of mind knowing your fence is made from steel developed for Australian conditions.

- Available in 14 designer colours to complement and enhance your home and landscape
- New improved Super Polyester pre-painted coating technology keeps your fence looking newer for longer
- More than 30 years of intensive weather testing in Australia has proven COLORBOND® steel to withstand our harsh conditions
- Bushfire testing by the CSIRO & Bushfire Co-operative Research Centre demonstrates steel fencing can help protect your property from bushfires
- 100% termite and rot resistant - no need to apply chemical treatments to a LYSAGHT® fence made from COLORBOND® steel
- Low maintenance – an occasional hose or wipe down and removal of any debris is all that's required to maintain your fence
- Laser engraved with the COLORBOND® steel logo, your guarantee of superior performance and quality
- COLORBOND® steel is a 100% recyclable material

**Not all steel fences are made from COLORBOND® steel.**

Only fencing made from COLORBOND® steel has the COLORBOND® steel brand.
