

Acid-Free un-du® Adhesive Remover

Adhesive Remover

Remove adhesives and many other sticky substances safely from almost any surface without damage.

un-du instantly neutralizes all self-sticking adhesives and then quickly evaporates enabling you to re-use the sticker, stamp, label or tape - whatever is being removed.

At Home or Office

You'll be amazed at how many uses you'll find for un-du around the home or in the office - from cleaning bubble gum from the carpet to lifting price stickers from gifts.

Bumper stickers

Stickers off walls & furniture

- Remove labels from envelopes and packages
- Open self-stick envelopes and padded mailers
- Remove labels from file folders
- Lift stickers from computer disks/cassette tapes
- Remove stickers from office furniture
- Remove bubble gum from carpet

Scrapper Solution

The Scrapper's Solution

Safely removes stickers, tape runner, photo splints and squares and LEAVES THEM READY TO RE-USE. Removes sticky residue from scissors and paper punches. Safe on acid and lignin free paper - won't bleed inks or leave water marks.

Lift stickers without damage

Use acid-free un-du with confidence on:

- Fine wood furniture
- Wallpaper/paint
- Acid & lignin free papers
- Photos
- Delicate fabrics
- Glass & Plastics
- Carpets & Upholstery
- Metals and More

PhotoCare™ Solution

Don't take chances with special memories. un-du removes photos from magnetic albums easily and safely. Kit includes **PhotoCare** solution, a Microfibre Cleaning Cloth and a Photo Sponge for safely removing fingerprints, smudges and adhesive residue from photos and negatives. Acid free and 100% photosafe.

PhotoCare Kit

Lift photos easily

Clean safely

Not effective on water based adhesives and will not effectively remove water-based glue sticks or pens. May harm unfinished leather or suede.

CAUTION:

Keep away from heat, sparks, and flames. Do not store above 45°C. Do not swallow or inhale. If swallowed, do not induce vomiting. Seek prompt medical attention. Keep out of the reach of children.
