Altache™ Fineline

Sleek and streamlined

Fine lines for subtle effects. Fineline is the third offering in Cedar Sales Altache range. Fineline combines anodised aluminium and Western Red Cedar, but is slimmer and more subtle than Altache Panel. The exposed thickness of the aluminium is reduced to just 8mm, which gives a slim style and ultra-modern appeal. Fineline is ideal for a range of residential or commercial applications.

Altache Fineline features and benefits

- Concealed fixings for uninterrupted lines
- Lightweight, but with excellent durability
- The pre-finished Western Red Cedar gives a natural warmth
- A slimline and futuristic look
- Colour choice of clear or black anodised aluminium
- Available in two cover widths and one standard thickness
- Aluminium is included in the cover stated
